I. SUPPLEMENTAL STATEMENT REGARDING CO-PENDING LITIGATIONS

Pursuant to the Court's instructions during the case management conference on April 6, 2015, NobelBiz provides the following supplemental update regarding the *NobelBiz, Inc. v. Global Connect, L.L.C.*, 6:12-cv-00244-RWS (E.D. Tex.) and *NobelBiz, Inc. v. TCN, Inc.*, 6:12-cv-00247-RWS (E.D. Tex.) cases (collectively, the "Global Connect and TCN cases") currently pending before the Honorable Robert W. Schroeder III in the Eastern District of Texas. Shortly after filing the Joint Statement of Compliance and Statement by Plaintiff Regarding Co-Pending Litigations (Dkt. 131) with this Court on Friday, April 18, 2015, the court in the Global Connect and TCN cases issued an Order setting a Pretrial Conference for May 11, 2015. During the Pretrial Conference, the court will hear argument on all motions currently pending before the court, which include fully-briefed summary judgment motions, *Daubert* motions, motions to strike, and motions *in limine*. The Order also requires NobelBiz and the defendants in the Global Connect and TCN cases to meet and confer in advance of the conference to determine the parties' availability for a summer or fall trial date.

Anticipating a summer or fall trial date for the Global Connect and TCN cases in the Eastern District of Texas, NobelBiz, Inc., LiveVox, Inc., and Five9, Inc. (collectively, the "Parties") respectfully and jointly propose the below revised case management schedule for the above-captioned cases pending before this Court. Most notably, the proposed revised case management schedule extends the deadline for the close of fact discovery to January 15, 2016, the same day as the close of expert discovery. The Parties do not propose any changes to the trial date set by the Court or any dates dependent on the trial date.
